

UNITED STATES DISTRICT COURT

for the
Eastern District of Wisconsin

In the Matter of the Search of:

Information associated with Google Account
barasnehyousef@gmail.com that is stored at premises
controlled by Google LLC

Case No. 20-893M(NT)

SEARCH AND SEIZURE WARRANT

To: Any authorized law enforcement officer

An application by a federal law enforcement officer or an attorney for the government requests the search of the following person or property over which the Court has jurisdiction pursuant to Title 18, United States Code, Sections 2703 and 2711:

See Attachment A

I find that the affidavit(s) or any recorded testimony, establish probable cause to search and seize the person or property described above and that such search will reveal:

See Attachment B

YOU ARE COMMANDED to execute this warrant ON OR BEFORE February 14, 2020 (not to exceed 14 days)
☐ in the daytime between 6:00 a.m. and 10:00 p.m. ☒ at any time in the day or night because good cause has been established.

Unless delayed notice is authorized below, you must give a copy of the warrant and a receipt for the property taken to the person from whom, or from whose premises, the property was taken, or leave the copy and receipt at the place where the property was taken.

The officer executing this warrant, or an officer present during the execution of the warrant, must prepare an inventory as required by law and promptly return this warrant and inventory to the Honorable Nancy Joseph
(United States Magistrate Judge)

☐ Pursuant to 18 U.S.C. § 3103a(b), I find that immediate notification may have an adverse result listed in 18 U.S.C. § 2705 (except for delay of trial), and authorize the officer executing this warrant to delay notice to the person who, or whose property, will be searched or seized (check the appropriate box)

☐ for _____ days (not to exceed 30) ☐ until, the facts justifying, the later specific date of _____.

Date and time issued:

January 31, 2020

ATTACHMENT A

Property to Be Searched

This warrant applies to information associated with Google Account barasnehusef@gmail.com (the "account") that is stored at premises owned, maintained, controlled, or operated by Google LLC, a company headquartered at 1600 Amphitheatre Parkway, Mountain View, CA 94043

ATTACHMENT B

Particular Things to Be Seized

I. Information to be disclosed by Google LLC (the "Provider")

To the extent that the information described in Attachment A is within the possession, custody, or control of the Provider, regardless of whether such information is located within or outside of the United States, and including any information that has been deleted but is still available to the provider or has been preserved pursuant to a request made under 18 U.S.C. § 2703(f), the Provider is required to disclose the following information to the government for each account or identifier listed in Attachment A for the time period March 1, 2019 to present:

Google Account

- **SUBSCRIBER AND ACCESS RECORDS:** All business records and subscriber information, in any form kept, pertaining to the account, including: full name; physical address; telephone numbers, including SMS recovery and alternate sign-in numbers; alternative and recovery email addresses, including those provided during registration; usernames, screennames and other identifiers; account status; account creation date; account registration IP address; length of service; records of session times and durations, including log-in IP addresses; methods of connecting; log files; subscriber change history; means and source of payment (including any credit or bank account number); and detailed billing records;
- **DEVICES:** All device information associated with the accounts, including but not limited to, manufacture names, model numbers, serial number, media access control (MAC) addresses, international mobile equipment identifier (IMEI) numbers, FCC ID numbers, Android IDs, and telephone numbers;
- **SERVICES:** The types of services utilized, including connected applications and sites, and any dates associated with the commencement or termination of that use;
- **FORWARDING OR FETCHING ACCOUNTS:** All forwarding or fetching accounts relating to the accounts;
- **BROWSING, SEARCH, and APPLICATION USE HISTORY:** All Internet search, browsing history, and application usage history, such as Web & App

Activity, including: search terms; browsing history, including application usage; bookmarks; passwords; autofill information; alerts, subscriptions, and other automated searches, including associated notifications and creation dates; all text typed into the Google Chrome address bar or Google search bar, including URLs and IP addresses; all URLs or IP addresses clicked on; user settings; and all associated logs and change history;

- **LOCATION HISTORY:** All records indicating the location at which the account was active, such as Location History and Web & App Activity, including: GPS data; cell site/cell tower information; IP addresses; information associated with each location record, including the source of the data, date and time, latitude and longitude, estimated accuracy, device and platform, and inferences drawn from sensor data (such as whether a user was at rest, walking, biking, or in a car); and associated logs and user settings, including Timeline access logs and change history;

Gmail

- **GMAIL:** The contents of all emails associated with the account, including, but not limited to: stored or preserved copies of emails sent to and from the account, draft emails, and deleted emails; attachments; the source and destination addresses associated with each email; the date and time at which each email was sent; the size and length of each email; and true and accurate header information including the actual IP addresses of the sender and recipients of the emails;
- **CONTACTS:** Any records pertaining to the user's contacts, including: address books; contact lists, including autocomplete suggestions; social network links; groups, including Google Groups to which the user belongs or communicates with; user settings; and all associated logs and change history;
- **CALENDAR:** Any records pertaining to the user's calendar, including: Google Calendar entries; Google Tasks; reminders; appointments; invites; and goals; the sender and recipients of any event invitation, reminder, appointment, or task; user settings; and all associated logs and change history;
- **WEB-BASED CHATS:** The contents of all chats associated with the account, including Google Hangouts, Meet, and Chat, in any format (text, audio, or video) including, but not limited to: stored, deleted, and draft chat communications, including attachments and links; the source and destination

addresses associated with each communication, including IP addresses; the size and length of each communication; user settings; and all associated logs, including access logs and change history;

Google Drive

- The contents of all records associated with the account in Google Drive (including Docs, Sheets, Forms, and Slides) and Google Keep, including: files, folders, media, notes, lists, and other data uploaded, created, stored, or shared with the account including drafts and deleted records; the creation and change history of each record; accounts with access to or which previously accessed each record; any location, device, other Google service (such as Google Classroom or Google Group), or third-party application associated with each record; and all associated logs, including access logs and IP addresses, of each record;

Google Photos

- The contents of all media associated with the account in Google Photos or Picasa, including: photos, GIFs, videos, animations, collages, icons, or other data uploaded, created, stored, or shared with the account, including drafts and deleted records; third-party data; the creation and change history of each record; accounts with access to or which previously accessed each record; any location, device, or third-party application data associated with each record; and all associated logs, including access logs and IP addresses, of each record;

Google Maps and Trips

- All maps data associated with the account, including Google Maps and Google Trips, including: all saved, starred, and privately labeled locations; search history; routes begun; routes completed; mode of transit used for directions; information associated with locations and other data associated with My Maps and Location Sharing; accounts and identifiers receiving or sending Location Sharing information to the account; changes and edits to public places; and all associated logs, including IP addresses, location data, and timestamps, and change history;

Google Play Store

- **MEDIA AND APPLICATIONS:** All activity relating to Google Play, including: downloaded, installed, purchased, used, and deleted applications, movies, music, television shows, books, magazines, games, and other files;

details of the associated device and Android ID for each application, medium, or file; user settings; and all associated logs, including IP addresses, location data, timestamps, and change history;

Google Voice

- **GOOGLE VOICE:** All Google Voice records associated with the account, including: associated telephone numbers, including forwarding numbers; connection records; call detail records; SMS and MMS messages, including draft and deleted messages; voicemails, including deleted voicemails; user settings; and all associated logs, including access logs, IP addresses, location data, timestamps, and change history;
- **GOOGLE VOICE SUBSCRIBER RECORDS:** All business and subscriber records associated with the account on Google Voice, including: name; user name; physical address; alternate or recovery emails; telephone numbers, including SMS recovery numbers; linked accounts; account status; account creation date; account registration IP address; length of service; associated devices; associated Android IDs; means and source of payment (including any credit or bank account number); and all associated logs and change history;

Messaging Services

- **MOBILE MESSAGING:** The contents of all messages associated with the account, including Google Duo, Android Messages, and Google Allo, in any format (e.g. SMS, MMS, or RCS) including, but not limited to: stored, deleted, and draft messages, including attachments and links; the source and destination addresses associated with each communication, including IP addresses and telephone numbers; the size and length of each communication; associated telephone numbers, including SMS recovery numbers; usernames and other identifiers; user settings; and all associated logs and change history;

YouTube

- **YOUTUBE CONTENTS:** The contents of all media associated with the account on YouTube, whether active, deleted, or in draft, including: copies of videos and other media only if uploaded to, saved to, shared by or shared with the account; edits, comments, likes, chats, and other interactions, including associated URLs; search history; channels; subscriptions; subscribers, friends, and other contacts; playlists; connected applications;

associated URLs for each record; creation and change history; privacy settings for each record; and all associated logs, including IP addresses, locations, timestamps, and device identifiers;

- **YOUTUBE WATCH HISTORY:** A record of the account's watch history, including: accessed URLs and their associated duration, privacy settings, upload timestamps, tags, IP addresses, change history, location information, and uploading account or identifier; the logs for each access by the account, including IP address, location, timestamp, and device identifier; and change history;
- **YOUTUBE SUBSCRIBER RECORDS:** All business and subscriber records associated with the account on YouTube, including birthday; name; username and other identifiers; linked accounts; alternate or recovery emails; telephone numbers, including SMS recovery numbers; physical addresses; account status; account creation date; account registration IP address; length of service; means and source of payment (including any credit or bank account number); associated devices; associated Android IDs; and associated logs and change history;
- languages of input and output; and all associated logs, including access logs, IP addresses, timestamps, location data, and change history;

The Provider is hereby ordered to disclose the above information to the Government within 14 days of the issuance of this warrant.

I. Information to be seized by the government

All information described above in Section I that constitutes evidence and/or instrumentalities of violations of 18 U.S.C. § 241 involving Yousef Omar Barasneh since March 1, 2019, including, for each account or identifier listed on Attachment A, information pertaining to the following matters:

- a. Records and information relating to a conspiracy to injure, oppress, threaten, and intimidate minority citizens, including Jewish citizens, in the free exercise of their legal rights, including the right to hold and use real and personal property in the same manner as that right is enjoyed by white citizens, as guaranteed by Title 42, United States Code, Section 1982;
- b. Records and information relating the organization known as The Base, associates of The Base, or white supremacy ideology, including any communications;
- c. Records and information relating to the Beth Israeli Sinai Congregation;
- d. Records and information relating to targets or potential targets of threats, harassment, or intimidation by the Base or otherwise based on white supremacist ideology
- e. The identity of the person(s) who created or used the Google ID;

f. Evidence indicating how and when the account was accessed or used, to determine the chronological and geographic context of account access, use and events relating to the crime under investigation and the account subscriber;

g. Any records pertaining to the means and source of payment for services (including any credit card or bank account number or digital money transfer account information);

h. Evidence indicating the subscriber's state of mind as it relates to the crime under investigation, including interests and motivations; and

i. Evidence that may identify any co-conspirators or aiders and abettors, including records that help reveal their whereabouts.

This warrant authorizes a review of electronically stored information, communications, other records and information disclosed pursuant to this warrant in order to locate evidence, fruits, and instrumentalities described in this warrant. The review of this electronic data may be conducted by any government personnel assisting in the investigation, who may include, in addition to law enforcement officers and agents, attorneys for the government, attorney support staff, and technical experts. Pursuant to this warrant, the FBI may deliver a complete copy of the disclosed electronic data to the custody and control of attorneys for the government and their support staff for their independent review.
